

Welcome

MOTOROLA CLIQ XT with MOTOBLUR syncs contacts, posts, feeds, messages, e-mails, photos and much more—from sources like Facebook®, Twitter, MySpace, Gmail™, your work e-mail, Picasa™, Photobucket™, LastFM—and serves it up just the way you want it.

Your phone

Most of what you need is in the touchscreen and four simple keys on the front:

- **Home:** Go to the home screen. Then, touch  for apps.
- **Menu:** Open menu options.
- **Back:** Go back a screen.

* If you use a wired headset with built-in microphone, you'll need to use an OMTP (Open Mobile Terminal Platform) compliant headset, such as the Motorola OH15. Look for the OMTP logo shown here, or go to www.motorola.com/wired for additional information.

If you want a full keyboard (good for texting, browsing, or searching in your **Contacts** list), just turn the phone—the screen spins to stay right-side up.
